CAYSA and the 4ATX Foundation, the philanthropic extension of Austin FC, have partnered again for the 22/23 season to provide multiple scholarships to CAYSA Players for the upcoming year. The scholarship will be available to all levels of play (D2, D3, Academy, D4).

CAYSA is excited for the continued opportunity to partner with the 4ATX Foundation and Austin FC! Additionally, we are thankful that they are making these scholarships available to CAYSA participants. Over the last two seasons, over 50 CAYSA players have benefitted from this opportunity offered from the 4ATX Foundation. Please find the updated scholarship application links below.
