

Greetings T&C Families and Friends,

I hope you had a great summer and are ready for the cooler fall temperatures. I excited to have you all back for another great season at T&C. We have worked hard over the summer to have the campus looking good and ready for the return of all the players and fans. With a little rain and the very hard work of our staff this summer, the fields look better than they have in many years to start the season.

I would like to start this letter with a great big thank you, to all that participated in our first ever Labor Day Family Fun Day event earlier this month. The weather turned in our favor and it was a perfect day to get outside and play. It was nice to see so many kids and families out enjoying all the activities and spending a day together playing outside. A special thank you to all our T&C staff members and volunteers, you all did a fabulous job setting it all up and putting it all together. Events like that take a lot of hard work and planning, so I really appreciate all of you, and thank you for all your time and dedication in pulling off such a memorable event for our T&C families and kids. I hope all that attended had a great time. Stay tuned for more such events planned for T&C this coming year and hopefully more of you can join us for the next one.

Registration is now closed for all our Fall Sports, and all are now in full swing. I would like to thank all of you that are volunteering your time and energy coaching and administering the various sports, teams, and leagues. T&C would never be possible without the hundreds of volunteers that provide such a great experience for all our kids. I hope you all have a fun, safe and enjoyable season.

Registration for Basketball should open in the next few weeks so check your emails and or visit the website for additional information regarding the 2022/2023 basketball season.

We are all looking forward to our annual "Help Every Kid Play" golf tournament this month, which raises money to help fund scholarships for those in need.

As always there is lots and lots going on out at T&C, so remember to follow us on social media and refer to the events page of the website to stay up to date on future events happening on and off campus.

I look forward to seeing you out on campus this fall and hope you have a great season.
