

23-24 SYBL PCA Coaches Training

Saturday, November 18TH, 2023 – 10 AM

Spurs Youth Basketball League impacts over 10,000 youth and volunteers throughout South Texas annually. In partnership with Positive Coaching Alliance, every coach will go through an in-person training to continue applying their lessons as a Double-Goal Coach and learn how to provide a positive sports experience for all youth participants. This training will help each coach add new lessons into their toolkit to continue making a positive impact on each athlete during the 23-24 SYBL Season.
