

Weekend Parking Notice

We're excited to host a full and fun schedule of events this weekend at the T&C Campus! With the busy schedule, parking demand will be higher than usual.

To help reduce congestion, we kindly encourage families to:

- Carpool when possible
- Arrive in a single, smaller vehicle
- Plan for extra time to arrive at your game on time

Please note: Parking at the **Morris Road lot will be very limited**. We recommend using the **Briarwick or Meadowheath lots** as your primary options. The Meadowheath lot does have an additional grassy overflow parking area as you enter the property from Meadowheath Drive.

As always, we ask everyone to be respectful of our neighbors by avoiding street parking near T&C and never blocking driveways. Keeping nearby streets clear ensures access for emergency vehicles and helps us remain good community partners.

Thank you for your cooperation—and let's have a fun and safe weekend!
